TORAH

Portion

Ki Tavo

This week's Torah portion is Ki Tavo. Moses explains the ceremony of bringing the first fruits to the Temple and expressing gratitude for the blessings of the land. The portion also includes the declaration of the tithes and a renewed commitment to walk in God's ways.

The Israelites are instructed to inscribe the words of the Torah upon stones after entering the land. Blessings are described for faithfully observing the commandments, along with warnings about the consequences of turning away from them.

Ki Tavo reminds us that gratitude is more than a feeling. It is a sacred practice: remembering where we came from, sharing our blessings, and building a community rooted in responsibility, generosity, and hope.

RABBI ALAN BELL

Deuteronomy 26:1-29:8

from

ILISSA NELSEN, Director of Community Life & Operations

Gathering in the Month of Elul

As we gather during the month of Elul and prepare for the High Holy Days, there are many meaningful ways to connect at Beth El Center for Jewish Life.

This week, we look forward to Hebrew lessons, Social Media Made Simple, our Women's League Challah Bake, and a beautiful evening of Selichot with Cantor Sam and Rabbi Alan. The following morning, our community will join together for Reverse Tashlich at Ocean Reef Park.

These gatherings give us opportunities to learn, pray, celebrate, and care for one another. Whether you are joining us for a program, service, class, or community project, we hope you will feel the warmth and joy that make Beth El so special.

May this season bring reflection, renewal, and many blessings to you and your family.

WOMEN'S LEAGUE BOOK CLUB

WEDNESDAY, AUGUST 26 | 2:00 PM

The Whisper Sister by Jennifer S. Brown is a captivating coming-of-age novel set in Prohibition-era New York City. The story follows a young Jewish immigrant girl navigating family, identity, and a rapidly changing world while her father's involvement in illegal activities brings unexpected challenges and secrets into their lives. Rich with history, family dynamics, and the immigrant experience, this compelling novel offers plenty to talk about!

Remember A Child

One-and-a-half million children were murdered in the Holocaust along with their entire families, leaving them without someone to say Mourners' Kaddish in their name. Their memories are as important today as they were when they were murdered in the Shoah.

The Remember A Child program illuminates our duty to remember these children and their families. You can Remember A Child by obtaining an envelope in the sanctuary lobby or contacting the Temple Office to learn about the child you are praying for.

We are now an international organization with Synagogues in Canada and France joining in this project.
